WELCOME TO AG EXPO 2025!

Once again, we are pleased to host the agriculture industry at the Agri-food Hub & Trade Centre in Lethbridge, Alberta.

2024 was a year of extremes across the prairies, with drought in some areas and excessive rain in others. In the end, we were blessed with good harvesting weather and, for the most part, yields were better than expected across the prairies.

We have a full house once again at Ag Expo with another sold out show. The agriculture industry never ceases to amaze me with innovations and products that make farmers more efficient and thus more profitable. We have a revamped floor plan, which allows us to host even more exhibitors than in 2024 and we have brought back Machinery Row with some outdoor exhibitors. We are also pleased to announce record-breaking sponsorship from our partners! We appreciate your support.

Lethbridge and the province of Alberta are pleased to welcome farmers from across the prairies, and we are also expecting visitors from around the globe as we celebrate the business of agriculture!

Enjoy the Show!

DAVE FIDDLER
EXECUTIVE PRODUCER, AG EXPO

ABOUT AG EXPO

In the heart of Canada's Premier Food Corridor, Ag Expo is proud to host the agriculture industry. Seamlessly merging state-of-the-art technology and equipment with the enduring spirit of hardworking farm culture, Ag Expo provides visitors with a captivating glimpse into the industry that beats at the heart of Southern Alberta.

Ag Expo brings together the world's most innovative agricultural solutions and invites

those working in the industry to learn about all the options for their operations. Experience the latest farming equipment, and trade and invest with other exhibitors launching innovative new industry technology from irrigation systems and farm equipment to livestock supplies, chemicals, and seeds. Connect directly with major producers and marketers of crops and livestock while finding the tools and resources you need—all in one place.

SHOW HIGHLIGHTS

thinkAG | CAREER FAIR HOSTED BY AG FOR LIFE AND AG EXPO

Agriculture for Life (Ag for Life) and Ag Expo are excited to present the thinkAG Career Fair in February 2025!

Students in grades 9 - 12 are invited to participate in a one-of-a-kind career experience. Learn how your students' unique interests align with the agriculture industry through participation in interactive, thought-provoking explorations. Students will have the chance to listen to a line-up of agriculture professionals active in the field, participate in a Q and A session, and visit the Ag Expo showroom floor.

Ag for Life has been delivering impactful, educational programs and awareness, connecting students of all ages to the culture of agriculture since 2011. It is our mission to educate and inspire the next generation to pick up the torch and dive into this industry of growing opportunity, playing an integral role in society, the economy, and the environment.

The thinkAG Career Fair hits curriculum outcomes within career and life management, propelling students forward in their lifelong career development journey through networking and career mentorship opportunities. Exposed to a range of career possibilities within agriculture, students can rub elbows with industry leaders and analyze the career paths of others to find their fit. Hosted at the Agri-food Hub & Trade Centre, a space provided by Ag Expo in Lethbridge, the thinkAG Career Fair will be held between 8 AM - 2 PM on Feb. 26, 2025. Don't miss out on this opportunity for hands-on industry immersion, and allow your students the chance to ask their burning questions and seek out education and employment opportunities within the agriculture industry.

SHOW HIGHLIGHTS

THE DISH | SPECIAL EVENT HOSTED BY AFSC & AG EXPO

Serving Up Success in Ag

February 27 | 3 - 5 PM | Lakeview Salon

PRE-REGISTRATION REQUIRED

Join us at The Dish during Ag Expo & North American Seed Fair for an exclusive event hosted by Agriculture Financial Services Corporation (AFSC).

This session will explore the **key pillars of risk** in agriculture — providing a clear understanding of the challenges facing farmers today. You'll also gain insights into emerging trends shaping

the industry in 2025 and learn about tools and programs that can help you navigate these risks effectively.

Whether you're starting out, re-entering the field, or building on your current operation, The Dish is your chance to connect with industry experts, ask questions, and leave with valuable knowledge to support your farming journey.
