

AGRI-FOOD HUB & TRADE CENTRE

LETHBRIDGE & DISTRICT
EXHIBITION

OKI • WELCOME

The Agri-food Hub & Trade Centre is a state-of-the-art, multifunctional venue that brings world-class events to southern Alberta.

With 268,000 square feet of modern, well-equipped rental spaces, this venue is a must-see for event planners across the country. Our versatile spaces can house events large and small, from intimate social gatherings and meetings to nation-wide conventions and conferences.

The venue is operated by Lethbridge & District Exhibition, a not-for-profit organization that has created opportunities for the agriculture industry and regional economy to grow for more than 125 years. LDE has a long history of community involvement that has helped shape our city and make it a standout destination in Canada's Premier Food Corridor.

Lethbridge & District Exhibition acknowledges its place on the lands of Siksikaitsitapi and pays respect to the peoples of Kainai, Piikani, Siksika, and Amskapi Piikani who have called this land home since time immemorial and will continue to do so for generations in the future. Furthermore, what is now Southern Alberta is also home to other Indigenous groups, including the Métis Nation of Alberta, Region 3.
